COUNCIL

Interested in advocacy, organizing, and creating sustainable change?

Grow your skills by working with us. We're the Youth Council of the League of Women* Voters of Maine. We're a group of high school and college students who take charge of getting people engaged in democracy in their schools and communities. We organize events, put on workshops, and have a newsletter full of opportunities.

*Listen, we know that we're an organization that's a 100 years old and continue to have "women" in the name, but we welcome everyone to the table regardless of gender expression.
